Hi Eric,

I will be in the field for the next two weeks. I am sending these files over so that I do not hold you up with decision making information. I will be reachable by phone but I will only be able to respond to emails later in the evening.

Thanks.

Hi Ben. The zip file gets taken away as virus. Please upload to one drive shared files. Thanks

Eric

Good afternoon Eric,

Attached ZIP folders contain site-specific information for wipe data, including COCs, tables, updated figures, and modified EPA Ludlum-3030 wipe analytical reports.

These attached information are incomplete without foot notes indicating EPA's action level.

Please let me know if you have any questions.

Thank you.
